Hello Sir,

I hope this email finds you well and the entire family, thank you for the unending contribution to the growth of our country and always supporting the generation.

I am writing to you this email referring to a meeting we had some time ago at speke apartments. As a brand I would love to open up a working relationship with your empire and we pave way of working together.

In that meeting you promised to support financially for the production of one of my music videos off my recent releases album titled made in Africa. I have attached a simple proposal for you to go through and get back to me.

You also promised to have me accommodated at any of you hospitality facilities for the services. And you also promised that you team will put together a draft of how well we can work together and I am kindly waiting to hear from you.

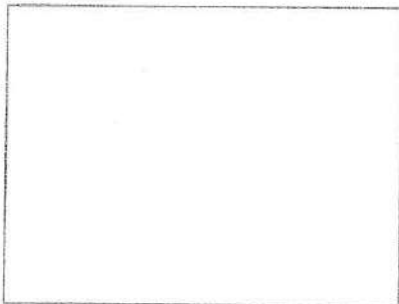

I thank you again and look forward to hearing from you soon.
