Dear Sir,
RE; INSTALLATION CEREMONY OF OUR 7TH CLUB
PRESIDENT, (VISIONARY PRESIDENT YUSUFU KIGOYE) *Ad*
ON JULY 10, 2022.

We bring you greetings from the members of the Rotary club
of Nsangi and the entire Rotary fraternity.

We do thank you for the work you have always done to
rotary including contributing to the foundation and
transforming our country Uganda by availing a number of
job opportunities to Ugandans.

Our club is much appreciative for your acceptance to
preside over our function as the Guest of Honor when
installing Rtn Yusufu Kigoye as the Visionary president of
the year 2022-2023 that will take place on July 10, 2022 at
Mollys place Nsangi.

It's a rotary norm to change leadership and it's a mandate
that the leaders' reign takes only one year. In so doing,
depending on the prevailing leadership, each rotary year
always have a Flag ship project as advised by the sitting
District Governor and also a signature project for the club.

This is always done in order to strategically transform our
communities into better places to live in.

It's therefore our humble request that you join us and
support us in those two projects as we transform our
respective communities.

The District flagship project and the club signature project
are focused to maternal and child health basically to help
expectant mothers to have a safe delivery and our major
focus is Nsangi sub county (Our area of operation).

The District flagship project.

As per the recommendation and guidance of Rotary District
9214, it was resolved that we buy "Tuku Tuku"
Ambulances for our area and each ambulance costs 1,000
