Dear Sir

### **Health Fair & World Environmental Day Event**

**Sunday 11<sup>th</sup> June 2023**

Aga Khan Health Services (AKHS) in collaboration with the Shia Imami Ismaili Muslim community will be holding a Health Fair & World Environmental Day. The event is a public family-fun day that aims to raise awareness about health, environmental stewardship, and activism through presentations, and fun activities. The event will coincide with events taking place globally for World Environmental Day.

**We are seeking sponsorship for this exciting event and would like to offer your company the opportunity to join with us on this important initiative.**

As a sponsor, your company will have the opportunity to connect with the community and network with other sponsors and partners by having a company stall at the event. As in previous events we will also be holding a soccer tournament, which many of you have participated in before, and this offers a great team building opportunity for your staff. Sponsors will have free team entry. As a sponsor your company will receive extensive exposure through our marketing strategies, including posters outside the Aga Khan School and a countdown with WhatsApp messages. Your company logo will be displayed on marketing materials, including the event social media pages. Please see below for details of gold, silver and other sponsorship packages.

Other activities on the day include different booths and stands related to health, especially environmental related health issues such as respiratory conditions. There will be a Blood Donation Drive by Nakasero Blood Bank. Students from Aga Khan School will hold a tree planting event, promoting environmental sustainability and showing their commitment to the planet. They will also showcase their climate change projects, demonstrating their commitment

to protecting the environment and raising awareness about the need for sustainable living. There will also be food stalls, a raffle draw, games stall and mixed business stalls.

We believe that your company's mission aligns well with our event's goals, and we look forward to collaborating with you. Thank you for considering our proposal.

Yours sincerely,

Rosalind Parkes-Ratanshi
