Greetings Chairman

It is always a pleasure to share with you our journey of charity activities, Skills and Talent Development through cycling sport activities in Katwe Kabatoro.

Times has been good to us that we have walked with your support since 2014 and continue to do so as you committedly with your philanthropic heart that extends support to different corners of this Country.

As we have done in so many other years, we appreciate your continuous support even this year of 2023 as hold our Annual Independence Day Cycling Solidarity Race in Katwe Kabatoro Town Council under the theme; "Greening our Spaces"

The target this year is supporting efforts to plant 10,000 trees in our schools and the General Community. However, the support on this Big Day will directly go to 7 schools that include a Secondary school, One high institution of learning and 5 primary schools.

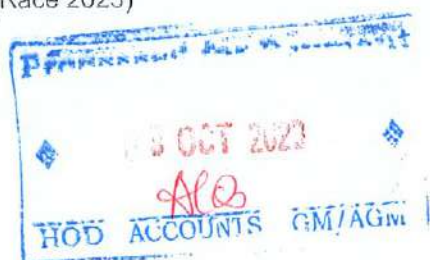

1,200 trees of Acacia Specie will be Given to these schools, supported with 140 watering cans and 35 hoes to help in the excavation activities.

It is a pleasure to receive your help and we always pledge to make great use of it by creating impact in our community while appreciating the need for charity support activities.

We look forward to receiving the pledged support and inviting you to be part of this community activity.

Please find attached the official communication Poster for the event and pictorial description of the activities.
