Our Ref: .....

Dear Parent/Guardian,

## RE: END OF TERM II 2023 PARENTS' CIRCULAR

### GREETINGS:

The Board of Governors and Staff of Caltec Academy, thank you for all your efforts, unending advice, support, and cooperation you have portrayed in this term, which have greatly impacted on the development of the Academy. It is your remarkable value for education that you are able to sacrifice somethings to sustain our students at school.

### ACADEMICS:

An educational institution is a place where a student gets the opportunity to learn and develop self-potentials that shape his or her academic and moral values for life time.

Our candidates have successfully done both internal and external mock exams and the rest of the learners were given both mid-term and end-of-term exams plus Activities of Integration for the New Lower Secondary Curriculum studies. For that reason, every student is given a termly assessment report. We also had internal and external seminars for some subjects as well as academic tours which were meant to add value to the candidates' learning process.

Candidates are breaking off for one week and returning for serious studying in preparation for their final exams, the rest of the classes will resume school on 17/09/2023.

### STUDENTS' DISCIPLINE:

Discipline is the practice of training oneself to obey rules. A learner can only be successful if he or she strictly lives a healthy and disciplined life. This motivates a student to progress in life. The Disciplinary Committee has handled disciplinary issues and some parents were called upon to intervene in different matters. On a special note, we call upon the parents of S.2 learners to work closely with their children to shape them accordingly, as they are suffering with the adolescent age.

### UNIFORM:

Worn-out, out-grown, cut uniforms, tight skirts/trousers with decorations and transparent black skirts will not be allowed in school next term. You are advised to design our sons and daughters accordingly.

### HEALTH:

We continue to urge you parents to work with us concerning your child's health back ground as it has become over whelming that some students have chronic issues that the school is not informed about. Perfumes are strictly not allowed due to their toxic odors that cause several other health complications.
