Dear Sir,

RE: REQUEST FOR SUPPORT TOWARDS THE CONSTRUCTION OF A NEW ALL-PURPOSE BUILDING

Warm and heartfelt greetings from the Franciscan Missionary Sisters for Africa, Nsambya. I would like to begin by thanking you sincerely for the continuous support you have given to our Prison Ministry over the years. We are truly very grateful and hope you will continue to support it in the coming years.

Now we are kindly requesting for your help with another of our urgent projects - the construction of a multi-purpose building on Old Ggaba Rd. Nsambya. The building will comprise of a Convent, a Formation Unit for young women joining our Congregation, a multi-purpose hall where we plan to hold seminars and other activities for the youth of our area, extra rooms for Sisters in need of medical help, and visitors.

The current building is about 90 years old. Despite repeated renovations, it is still infested with ants which are destroying the structure from the ground to the ceiling. The ceiling is already falling down in places which could prove very dangerous.

Because of this, we have already started to demolish the old building. However, our financial resources are limited, and so we are humbly reaching out to those who we think would be willing to help us. We are very much aware, Sir, that you are already funding very many charitable organisations, but we still hope you will be able to contribute to the above-
