Dear Parent/Guardian,

## RE: END OF TERM III PARENTS' CIRCULAR

### GREETINGS:

On behalf of the Board of Governors, Administration, and the entire fraternity of Caltec Academy Makerere, allow me to deliver warm greetings and to thank you for the valuable support and cooperation you have portrayed in the term and throughout the year.

May the Lord's name be glorified that we have closed the term for holidays after covering the programmed activities successfully.

### ACADEMICS:

The committed staff have conducted actual teaching as required. Two sets of examinations have been done ie Mid-Term and End of Term. In addition, Activities of Integration for the new curriculum were done and a termly report has been given to every learner. Many of our learners have improved in performance. However, we still have some learners who have not been promoted to the next class according to our expectations. Parents are requested to critically observe the performance of their children and encourage them accordingly.

UNEB examinations started on 13<sup>th</sup>/10/2023 with UCE and went on well up to the end and UACE candidates started on 10<sup>th</sup>/11/2023. We hope they will also be completed successfully by God's Grace. S.6 will have a Geography Tour (Field Work) at a fee of 25,000/=.

### STUDENTS' DISCIPLINE:

Discipline refers to the rules and strategies applied in school to manage student behavior. These rules apply to the student while in school and as an individual. The discipline of some learners has been challenging. Indiscipline cases have been handled at school with the concerned students' parents. The school has played its part concerning the discipline of the learners. You are also reminded to play your role of parenting by guiding the children on good behaviour in society to prevent cases of escapism, theft, fighting, late coming, dodging classes and unhealthy relationships and possession of illegal gadgets. The holiday is quite long. I call upon parents/guardians to effectively manage our children because good discipline begins at home. We continue to remind you to encourage our learners to revise their notes over the holiday in order to iron out missing gaps in their performance.

### HEALTH:

Parents are reminded to report their children's chronic issues to the school nurse to avoid abrupt emergencies. The school gives the first aid /start dose and then refers the student to Jovi Clinic for further medical care at a fee which has to be cleared by the parent. In cases where a student goes back home for treatment, on their return, the medical report and medicine got are supposed to be presented to the school nurse as some are negligent about their medication.
